#### *Faculty of Arts, Fashion and Tourism*

- *Arts and Cultural Events* ..... 250
- *Fashion and Creative Industries* ..... 250
- *Tourism, Management and Culture*..... 200

#### *Faculty of Interpreting and Translation*

- *Interpreting and Communication* ..... 250

#### *Faculty of Communication*

### 2. Access requirements

The following categories of candidates may apply for the admissions test:

- Italian or EU nationals holding an Italian 5-year high school diploma or equivalent qualification<sup>1</sup>;
- Italian or EU nationals holding a qualification equivalent to the Italian high school diploma obtained on completion of a period of schooling of no less than 12 years;
- non-EU nationals upon presentation of an application for admission in accordance with provisions in force regarding the entry, stay and enrolment of foreign/international students, as well as an evaluation of documentation and of each specific situation;
- Italian citizens attending the fourth year of an Italian high school – with the exception of the Bachelor's degree course in Interpreting and Communication, for which attendance in at least the fifth year is compulsory;
- Italian citizens attending the third or fourth year of Italian 4-year secondary education courses<sup>2</sup>, with the exception of the Bachelor's degree course in Interpreting and Communication, for which attendance in at least the fourth and final year of the aforementioned courses is compulsory;
- Italian citizens attending the fifth year of an Italian high school;
- EU or non-EU nationals attending the final year in a high school in their home country or a *Foundation Year* (a preparatory course for international students who have not completed a 12-year period of schooling), subsequent to evaluation of documentation and of each specific situation.

\*\*\*

<sup>1</sup> Candidates with an equivalent qualification (even a four-year qualification, e.g. qualifications referred to at EQF level IV) must also check its validity for the purposes of admission to the University with the institution awarding the qualification

<sup>2</sup> Activated pursuant to Ministerial Decree No. 567 of 3 August 2017, which promotes a national plan for organisational innovation, reducing the traditional five-year secondary school system to four years

Applicants for the admissions test for the Bachelor's degree course in *Corporate Communication and Public Relations* must have a knowledge of English equivalent to at least level B2 in the *Common European Framework of Reference for Languages* (CEFR). Applicants who are not in possession of the required language certification (or with certification that is no longer valid) must take a specific Language Assessment Test (*the dates for which are specified in Annex 3*) following the procedures described below. Applicants who have completed their entire high school studies attending English-speaking schools in Italy or abroad may be exempt from the assessment test.

Admission to the degree course in *Interpreting and Communication* requires at least a basic knowledge of English (at least CEFR level A2), while a "beginner" level is admissible for all other languages of study. As a result, students with a "beginner" level of English in both the written and oral tests cannot be admitted to the degree course in *Interpreting and Communication*.

### **3. Verification of proficiency in English (*Assessment Test*) for Bachelor's degree courses in the Faculty of Arts, Fashion and Tourism and for Bachelor's degree courses in the Faculty of Communication**

For the Bachelor's Degree Courses for the academic year 2025/26 in:

- *Arts and Cultural Events*
- *Fashion and Creative Industries*
- *Tourism, Management and Culture*
- *Communication, Media and Advertising*
- *Corporate Communication and Public Relations (in Italian)*

there is a compulsory English language proficiency test. Only candidates who are in one of the following situations at the time of registration for the admission test are exempt from the Assessment Test:

- candidates with certification of language proficiency of at least CEFR level B1+ (Cambridge English Scale score of at least 150; IELTS score of at least 4.5; Toefl score of at least 40);
- candidates who have completed or are completing their entire education in English at an English-language high school in Italy or abroad.

All other candidates must take the [Oxford Placement Test](#), an online language assessment test provided free of charge by the University. The Oxford Placement Test is an adaptive test lasting a maximum of 80 minutes (90 for candidates requiring compensatory measures), divided into two sections - *Use of English* (correct use of the English language) and *Listening* (ability to understand speech) - which allows the entire range of English language proficiency levels, from A1 to C2, to be assessed.

The Oxford Placement Test, unlike the actual admission test, is carried out by the candidate in specific time windows (*the dates of which are shown in Annex 2*), in complete autonomy and without any supervision by University Office staff: It is in fact a self-assessment tool, the sole purpose of which is to guide the future student towards the most suitable preparatory level of study for access to the compulsory course in *English for Corporate Skills* (for which an entry level of at least B1+ is required), which is normally held in the second year of the course (i.e. from academic year 2026/27).

The result of the Oxford Placement Test does not contribute in any way to the score for admission, nor does it attribute CFUs, nor can it exempt a candidate from any course activity: misconduct on the part of the candidate in taking the test would therefore only have the effect of allowing access to an English language course that the student would not be able to follow.

If the candidate achieves a grade of B1+ or higher following the *Assessment Test* (Oxford Placement Test score of at least 51 in both sections), they will be eligible for direct access to the compulsory course in *English for Corporate Skills*.

If the candidate obtains a score lower than B1+ as a result of the *Assessment Test* (Oxford Placement Test score lower than 51 even in only one of the two sections), once enrolled they will have to independently achieve the B1+ level required for access to the compulsory course in *English for Corporate Skills* (a level that will be duly verified close to the start of the course). To this end, the future student may choose, at their own discretion:

- to make use of the online self-study platform made available free of charge by IULM University to enrolled students (further details will be provided after enrolment);
- to follow ‘open courses’ designed to support the student's studies (divided into several levels), which are optional and supplementary to the use of the online self-study platform and will be offered during the academic year at times and in ways that will be announced in due course (further details will follow from April 2025). These courses will not involve any examinations or the acquisition of CFUs, but will be made available to students to improve their level of knowledge of the language with a view to their subsequent attendance on the compulsory English course (further details will be provided after enrolment);
- to prepare independently by following external courses of their choice not organised by IULM University.

Students may be exempted from attending the compulsory English language course, with the consequent allocation of the 6 CFUs (without a grade), by submitting one of the following language certificates:<sup>3</sup>

- B2 First Certificate in English (FCE) with a score of above 170
- B2 Business Vantage with a score of above 170
- IELTS Academic with a score of at least 6.0
- TOEFL iBT with a score of at least 69

Candidates will take the *Assessment Test* after they have taken the admission test (on the dates shown in Annex 2); candidates who do not take the *Assessment Test* will not be placed on the admissions ranking list.

Candidates attending the penultimate year of high school will be able to take the *Assessment Test* after enrolment (around March 2026).

The *Assessment Test* may only be taken once. Candidates who do not pass the admission test and who decide to participate in other test sessions will NOT have to take the *Assessment Test* again.

#### **4. Dates of admissions test sessions**

Tests for admission to the Bachelor’s degree courses for the academic year 2025/26 will take place on the following dates:

- 1st session: 13 to 23 January 2025
- 2nd session: 24 March to 7 April 2025
- 3rd session: 20 to 30 May 2025
- 4th session: 14 to 18 July 2025

Once all places have been filled for the ordinary sessions, the Academic Senate may authorise the organisation of further extraordinary sessions for courses with further availability of non-assigned places.

Exceptional circumstances may lead to changes in the dates of the sessions.

The opening of the sessions may be arranged in stages, i.e. registration procedures for the different sessions will be activated at the same time as enrolments are proceeding.

---

<sup>3</sup> Candidates who are not in possession of one of the listed certificates at the time of enrolment but intend to obtain it after enrolment may submit it in accordance with the procedures set out in the following [link](#)

During the different sessions, only applications for tests where a sufficient number of places are still available will be requested.

## 5. Terms and procedures for enrolment in admissions tests

To register for the admission tests, you must submit an application via the online procedure described on the University's website (hereafter referred to as the "online procedure").

Applicants must register before enrolling for the test. Registration is to be carried out only once. After completing registration, the system will assign a username and password which will allow applicants to sign in and fill in their personal details. It is compulsory to provide your personal details the first time you access the site.

Once you have registered and provided your personal details you can access the online procedure and register for the test.

During enrolment procedures you will be asked to provide:

- PDF format scan of the front and back of an identity document (identity card/passport) and PDF format scan of the front and back of the tax code/health card; for non-EU students, a PDF format scan of a valid residence permit is compulsory;
- third- and fourth-year school reports for applicants in their fifth year or who have already finished school, or only the third-year report for students currently in their fourth year;
- second- and third-year school reports for applicants in their fourth and final year of 4-year secondary education courses<sup>4</sup> (or who have already finished school), while only the second-year report will be requested for students currently in their third year of the aforementioned courses;
- average marks for the third and/or fourth year (depending on current year of study – excluding marks for physical education, civic education, religion and conduct/behaviour). The result must be rounded up or down to one decimal place (e.g. 7.53 = 7.5; 6.55 = 6.6; 6.96 = 7.0);
- any English language certification for at least level B2 on condition it was obtained after 1st January 2023 (as specified in the table on the page “New Students”);
- for non-native Italian speakers applying for the Bachelor’s course in *Corporate Communication and Public Relations*, any Italian language certification for at least level B2.

If the school reports are not available at the time of registration for the test, in exceptional cases, self-certification may be uploaded using the form which can be downloaded from the online procedure; however, applicants are still obliged to submit the required documents prior to the date of the test.

Applicants enrolled in an Italian school who attended their fourth year abroad may enter only their third-year report; attending the fourth year abroad for at least one semester, which must be duly certified by attaching the transcript of records for the last year, will constitute an element of merit which will be taken into due consideration when drawing up the ranking. Applicants enrolled in a foreign school (in Italy or abroad) will enter their reports for all years of study; attending a foreign school will constitute an element of merit which will be taken into due consideration when drawing up the ranking.

Italian applicants or foreign applicants permanently resident in Italy in possession of a qualification obtained from a foreign or international high school in Italy, must register and upload in the [online procedure](#) their full transcript of records, and their high school diploma (where applicable).

Italian or foreign applicants permanently resident abroad in possession of a foreign qualification obtained abroad must submit their application for admission on the [apply.iulm.it](http://apply.iulm.it) website in order to verify the validity of the qualification for the purposes of admission to University courses. For this purpose, applicants must send their full transcript of records, and their high school diploma (where applicable).

---

<sup>4</sup> Activated pursuant to Ministerial Decree no. 567 of 3 August 2017.

If verification on the part of the Registrar's Office shows that the qualification held is not valid for admission to a university level course of study, the test participation fee will be refunded (net of secretarial fees).

\*\*\*

Participation is subject to payment of a fee of €110.<sup>5</sup>

It is possible to participate in more than one test for more than one degree course in the academic year 2025/26 by paying the €110 fee for each course.

Exceptions are the degree courses in *Comunicazione d'impresa e relazioni pubbliche (in Italian)* and *Corporate Communication and Public Relations (in English)* for which it is not possible to register for both tests in the same session (since they are the same course with one being the English language equivalent of the other). However, should the applicant wish to take the test for the other course in a subsequent session (e.g. an applicant who passed the test for *Comunicazione d'impresa e relazioni pubbliche [in Italian]* in the first session and then wishes to take the test for *Corporate Communication and Public Relations [in English]* in the second session) must pay the related fee.

Students who fail to pass the test in one session may apply for a subsequent session for the academic year 2025/26 by submitting a new application for admission through the [online procedure](#), without having to pay a further test participation fee.

\*\*\*

The participation fee will not be refunded under any circumstances (except for failure to take the test due to the number of places available being insufficient or at the behest of the University governing bodies, or for the invalidity of the qualification for admission possessed, whether Italian or foreign). It should be noted that an applicant's failure to participate in the test for any reason whatsoever does not constitute grounds for reimbursement.

Failure to pay the participation fee or late payment of the participation fee after the deadlines for each session will preclude access to the test.

\*\*\*

Applications for admission to the test sessions must be submitted online in accordance with the following schedules:

- 1st session: 11 November to 16 December 2024
- 2nd session: 17 December 2025 to 18 March 2025
- 3rd session: 19 March<sup>6</sup> to 14 May 2025
- 4th session: 15 May<sup>7</sup> to 3 July 2025

Exceptional circumstances may lead to changes in the scheduled dates.

## 6. Test regulations

The test is carried out online, therefore:

- candidates must be in possession of a device equipped with webcam, microphone and a stable Internet connection;
- notification to take the test will be exclusively via e-mail using the address provided during registration. The e-mail will provide details of when personal details will be verified online (not

<sup>5</sup> Excepting students resident abroad who, subject to specific authorisation and/or through a recruiting agent, take the admissions test at another location abroad, for which a different participation fee rate may be charged.

<sup>6</sup> In the event of potential over-subscription of places at the end of the second session, the opening date for registration for the third session may be postponed by a week or more to allow for the enrolment of those admitted and the verification of the availability of remaining places.

<sup>7</sup> In the event of potential over-subscription of places at the end of the third session, the opening date for registration for the fourth session may be postponed by a week or more to allow for the enrolment of those admitted and the verification of the availability of remaining places.

necessarily on the same day as the test) and when the actual test will be carried out; the dates for taking the *Assessment Test* will also be specified;

- the online verification of personal details is compulsory and binding for subsequent participation in the test; candidates must present themselves (on the dates specified in Annex 3 and communicated in advance by the Registrar's Office) with a valid ID document (identity card, driving licence or passport; compulsory residence permit for candidates who do not have EU citizenship);
- the test must be carried out by logging in to the virtual rooms indicated in the e-mail, so that University staff can carry out the necessary invigilation. The staff will also formally start the tests: tests started prior to communication from the University staff and/or carried out without a connection to the virtual room will be considered null and void;
- while taking the test, candidates must comply scrupulously with the specified regulations. The Registrar's Office staff may, without prior notice, carry out spot checks: in the event of proven anomalies (failure to activate the webcam, copying, presence of other people in the virtual room, use of other devices not previously authorised, etc.) penalties may be applied to the calculation of the final score, including declaring the test null and void.
- the *Assessment Test* is compulsory and binding for the candidate's subsequent admission to the ranking list; candidates will be admitted to the *Assessment Test* after taking the admission test on the dates specified in Annex 2;

## 7. Admissions tests and rankings

For the Bachelor's Degree Courses in

- *Interpreting and Communication*
- *Languages, Culture and Digital Communication*
- *Arts and Cultural Events*

the test is not selective but aimed exclusively at assessing personal skills. Only if the maximum number of places available has been reached will a ranking list be drawn up on the basis of the results of the test, and aimed at assigning the remaining places.

On the basis of the test results, Additional Learning Obligations (OFAs) in specific subjects may be assigned, where applicable. The criteria for attribution and the procedures will be determined by a subsequent resolution of the respective Faculty Boards

For the Bachelor's Degree Courses in Interpreting and Communication, and Languages, Culture and Digital Communication, a subsequent oral interview to ascertain the level of proficiency in English and in the second language of the student's choice will be held, reserved exclusively for enrolled students and aimed at ensuring a homogeneous composition of language classes based on the student's level of proficiency. The dates will be communicated to enrolled students by the Registrar's Office by e-mail after enrolment and will be scheduled in July.

The activation of the Courses for second foreign languages is subject to reaching the minimum number of enrolments set by the Academic Senate. The non-activation of the Courses for the various second languages will be communicated by 27 June 2025

\*\*\*

For the Bachelor's Degree Courses in:

- *Communication, Media and Advertising*
- *Corporate Communication and Public Relations*
- *Fashion and Creative Industries*
- *Tourism, Management and Culture*

access is selective and is based on a ranking list drawn up on the basis of scholastic merit and the results of the test. In particular, the position in the ranking is determined as follows:

For candidates already in possession of their school-leaving diploma or attending the fifth year of high school:

- 50% - test results;
- 50% - school curriculum (25% for average marks in third year and 25% for average marks in fourth year);

For candidates attending the fourth year, the 50% related to the school curriculum refers exclusively to the average marks for the third year of high school.

For candidates in their fourth and final year of 4-year secondary education courses, or who have already successfully completed their studies there:

- 50% - test results;
- 50% - school curriculum (25% for average marks in second year and 25% for average marks in third year)

For candidates attending the third year, the 50% related to the school curriculum refers exclusively to the average marks for the second year of high school.

Access procedures based on ranking scores depend on the session in which the test was carried out. In particular:

- for the 1st session only candidates with a score of no less than 70 % of the maximum score will be admitted;
- for the final session<sup>8</sup> all candidates will be admitted based on the ranking with the score obtained until all available places have been filled. Candidates with a score of less than 70% of the maximum score who may be included in the ranking may be admitted with the assignment of OFAs in specific subjects. Assignment criteria and OFA procedures will subsequently be determined in meetings of the Faculty Boards;
- for the 2<sup>nd</sup> or 3<sup>rd</sup> session, depending on the number of places still available for each specific degree course, the same criteria applied to the 1st session may be applied, or those for the final session may be applied in advance. The criteria adopted for the 2<sup>nd</sup> or 3<sup>rd</sup> session will be communicated on the University website 5 days prior to the date of the test.

\*\*\*

For the Bachelor's Degree Course in:

- *Corporate Communication and Public Relations (in English)*

access is selective and is based on a ranking drawn up on the basis of scholastic merit and the results of the test. In particular, the position in the ranking is determined as follows:

For candidates already in possession of their school-leaving diploma or attending the fifth year of high school:

- 50% - test results;
- 50% - school curriculum (25% for average marks in third year and 25% for average marks in fourth year).

For candidates attending the fourth year the 50% related to the school curriculum refers exclusively to the average marks for the third year of high school.

For candidates in their fourth and final year of 4-year secondary education courses, or who have already successfully completed their studies there:

- 50% - test results;

---

<sup>8</sup> registered candidates will be notified of the last session by e-mail and a general notice will be published on the University website

- 50% - school curriculum (25% for average marks in second year and 25% for average marks in third year).

For candidates attending the third year, the 50% related to the school curriculum refers exclusively to the average marks for the second year of high school.

In order to be admitted to the test, candidates must have a knowledge of English equivalent to at least level B2 in the *Common European Framework of Reference for Languages* (CEFR). In particular:

- candidates with an international language certificate<sup>9</sup> (obtained after 1st January 2023) will be admitted directly to the test. A digital copy of the certification must be attached during the online registration procedures;<sup>10</sup>
- candidates who do not have a language certificate (or who have a certificate that is no longer valid) must take a language assessment test (the dates for which are specified in Annex 2). If the results of the test show the candidate has a knowledge of English equivalent to level B2 or above (i.e. achieving level B2 in both the Use of English and Listening Comprehension sections of the test), they will be admitted to the test.

Candidates who fail to pass the language Assessment Test with a result of B2 or above, may, if they so wish, be admitted to the admissions test for the Bachelor's Degree Course in *Corporate Communication and Public Relations* (held in Italian) without having to make a further payment of the participation fee; conversely, the Assessment Test may be repeated in subsequent sessions at no additional cost.

Candidates who fail to pass the Assessment Test with a result of B2 or above in one session, but manage to pass in a subsequent session must also take the test to access the degree course in *Corporate Communication and Public Relations*. For this purpose, any test already passed for the degree course in *Corporate Communication and Public Relations* (held in Italian) will not be considered valid.

Access procedures based on ranking scores depend on the session in which the test was carried out.

In particular:

- for the 1st session only candidates with a score of no less than 70 % of the maximum score will be admitted;
- for the final session all candidates will be admitted based on the ranking with the score obtained until all available places have been filled. Candidates with a score of less than 70% of the maximum score who may be included in the ranking may be admitted with the assignment of OFAs in specific subjects. Assignment criteria and OFA procedures will subsequently be determined in meetings of the Faculty Boards;
- for the 2<sup>nd</sup> or 3<sup>rd</sup> session, depending on the number of places still available for each specific degree course, the same criteria applied to the 1st session may be applied, or those for the final session may be applied in advance. The criteria adopted for the 2<sup>nd</sup> or 3<sup>rd</sup> session will be communicated on the University website 5 days prior to the date of the test.

\*\*\*

The structure and duration of the tests for each Bachelor's Degree Course are shown in Annex 6 of these Procedures for Admission.

---

<sup>9</sup> From among those listed and obtained with a score equal to or higher than the one indicated in brackets: IELTS (5.5); Cambridge, FCE or CAE and Linguaskill (160); BEC Vantage (160); Cambridge IGCSE English as a Second Language - Grade C; TOEFL IBT (72); PEARSON PTE (46); Trinity College London (ISE II)

<sup>10</sup> Those who have passed the assessment test in a previous test session (not prior to 1 November 2023) with a level of at least B2 in both the Use of English and Listening Comprehension sections, may also enrol in the test for Corporate Communication and Public Relations.

## 8. Additional Learning Requirements (OFA)

Additional Learning Requirements (OFAs) may be assigned in specific subjects to candidates admitted subsequent to the last session with a score of less than 70% of the maximum mark. The assignment of OFAs does not in any way compromise enrolment. Assignment criteria, procedures and timescales for the OFAs will subsequently be determined by the respective Faculty Boards.

The Additional Learning Requirements must be satisfied by the end of the first year of the course (by September 2026).

\*\*\*

For non-native Italian speakers enrolled on the degree course in *Corporate Communication and Public Relations* (or for those who do not possess certification of knowledge of Italian equivalent to at least level B1) and/or non-Italian citizens, information will subsequently be provided regarding procedures for obtaining, by the end of their studies, the required proof certifying the possession of skills for the effective use of the Italian language

## 9. Publication of Admissions Test results

Results will be published on the following dates:

- 1st session: 30 January 2025
- 2nd session: 15 April 2025
- 3rd session: 10 June 2025
- 4th session: 24 July 2025

The dates are subject to variations.

The results will normally be communicated by e-mail to the address provided by the candidate during registration.

Candidates who are not admitted may apply:

- to repeat the test for the same degree course, by independently submitting an application through the [online procedure](#), at no extra cost. In this case the score previously obtained for that course of studies will automatically be annulled;
- not to repeat the test, asking to be included in the first appropriate ranking for that course of studies, by filling out the form sent by the Registrar's Office to all non-admitted candidates no later than the start of the last available session. In this case, only the last score obtained (not necessarily the most favourable) will be taken into account.

## 10. Confirmation of enrolment and registration

Registration can be carried out through the [online services](#) and will be confirmed only upon receipt by IULM University of payment of the first instalment.

Those admitted must complete registration in the following periods:

- 1st session: 31 January to 28 February 2025
- 2nd session: 16 April to 16 May 2025
- 3rd session: 10 June to 2 July 2025<sup>11</sup>
- 4th session: 25 July to 26 August 2025<sup>12</sup>

---

<sup>11</sup> In the event of potential over-subscription, the deadlines for registration could be shortened so as to allow for the appropriate scrolling of the ranking list.

<sup>12</sup> see note 9

For each session, the admitted candidate who fails to confirm registration by the respective deadline will lose any priority deriving from their position in the ranking for that session (and their place may be assigned to another candidate). Subsequently the candidates may apply:

- to repeat the test for the same degree course, by independently submitting an application through the [online procedure](#), at no extra cost. In this case the score previously obtained for that course of studies will automatically be annulled;
- not to repeat the test, asking to be included in the first appropriate ranking for that course of studies, by filling out the form sent by the Registrar's Office to all non-admitted candidates no later than the start of the last available session. In this case, only the last score obtained (not necessarily the most favourable) will be taken into account.

\*\*\*

The registration of students awaiting the results of their school-leaving examination (the “Maturità”) will be considered conditional until confirmation is provided through the [Online services](#) of having passed the exam. Students must provide the date of passing the exam and the mark obtained by 21 July 2025. Failure to communicate the result of the Maturità examination by 21 July 2025 will result in the cancellation of the registration without the right to a refund of the first instalment paid.

The first instalment paid will only be refunded if documented proof is provided of failure to pass the examination.

Exceptionally, the first instalment may also be partially refunded in the event that the student expresses the wish to renounce enrolment before having obtained the qualification and there is still at least one admission test session scheduled for the degree course in which the student is enrolled: in this case, given the possibility of reallocation of the place, it will be possible to cancel enrolment and receive a partial refund equal to 50% of the first instalment already paid, in addition to the reimbursement of the regional Right to Study fee, net of the stamp duty of €16.00.

\*\*\*

Should fourth-year high school students (or third-year students in the aforementioned 4-year courses) pass the admissions test, they will be able to keep the score obtained and access a dedicated registration window (November 2025) to have priority enrolment for the academic year 2026/27, procedures for which will be communicated in November 2025<sup>13</sup>. Admitted candidates who choose not to benefit from the opportunity to enrol by the end of the dedicated registration window will lose all rights deriving from the positive outcome of the test and will have to take the test again if they wish to enrol for the academic year 2026/27.

It must be noted that the courses and/or enrolment fees for the academic year 2026/27 may differ from those for the academic year 2025/26.

## **11.Scrolling of the ranking list**

If the number of students admitted exceeds the number of places available, the number of students in excess will be placed on a waiting list while maintaining their position in the ranking. If two or more candidates have the same score, the order will be established on the basis of scholastic merit. After the closing date for registration for each specific session, any places left free by students who were admitted but did not proceed with registration may be assigned to admitted students on the waiting list in accordance with their order in the ranking (scrolling of the ranking list).

If necessary, the scrolling of the rankings will start on the following dates:

- 2nd session: from 9 May 2025

---

<sup>13</sup> The test passed by candidates attending the fourth year of high school is to be considered final for the purposes of enrolment in the dedicated registration window, and cannot therefore be repeated, even partially.

- 3rd session: from 4 July 2025
- 4th session: from 5 September 2025

The dates are subject to variations.

When the ranking is scrolled, admitted students on the waiting list will be informed of the deadlines for confirming enrolment, usually no more than three working days after the communication.

Following similar procedures, further scrollings may take place if there are still names on the waiting list and there are still places available.

As is the case with candidates who have been admitted, the position in the ranking for those who are on the waiting list who fail to confirm enrolment within the set deadlines will lose all validity.

## 12. Test for students temporarily abroad

Italian candidates who, during the test period, are abroad for exceptional reasons (duly documented) in a country whose time zone differs from Italy by at least two hours, may take the test by applying in writing to [ammissioni.triennali@iulm.it](mailto:ammissioni.triennali@iulm.it)

Italian candidates who, during the test period, are abroad for exceptional reasons (duly documented) in a country whose time zone differs from Italy by less than two hours, may take the test following exactly the same procedures as the other candidates.

## 13. Applicants with disabilities and Specific Learning Disorders (DSA) ADHD, Autism

In order to guarantee equal opportunities in carrying out the tests, applicants with disabilities in possession of a certificate of civil incapacity and/or recognition of the state of disability pursuant to Law 104/92, applicants with Specific Learning Disorders (DSA), in possession of DSA certification pursuant to Law 170/2010, and applicants in possession of ADHD and Autism certification must upload the documentation certifying the disorder in PDF format during the online test enrolment procedures. The documentation must be currently valid and legally compliant.

Specific requests for dispensation and/or compensatory measures for the admissions test must be submitted before the deadline for enrolment in the test by sending an e-mail to the diversAMENTE service.
