

## SUMMER SESSION 2023 - MASTER'S DEGREES

**Destinations are constantly updated**

1) The passed exam can be recognized as a course option. Students need to have at least a course option in their current study plan.

2) In order to transfer credits and grade for the exam taken abroad, it is necessary to obtain the approval from the Study Abroad Committee and pass the final assessment at the host university. Attendance certificates are not valid for credit transfer. Students are required to submit the application for the Summer Session to IULM University no more than 15 days prior to the deadline fixed by the host university.

3) This is not an exchange programme, host universities are not necessarily IULM partner universities. It is a fee-paying programme.

4) Please, check the destinations for your degree course
