The language requirement will be considered to have been met by passing the Assessment Test with a level of at least B2 in both the Listening and Use of English sections.

## 5. Knowledge of the Italian language (only for foreign candidates applying for the course held in English)

Candidates who are not native speakers of Italian and/or non-Italian citizens are required to declare their level of knowledge of the Italian language when applying for the admissions test, and they must obtain by the end of their course of studies the required qualification attesting to “written and oral proficiency” in Italian.

In this regard, candidates who are not native speakers of Italian and/or non-Italian citizens should read the “[Procedures for the assessment and acquisition of knowledge of the Italian language](#)” published on the University website.

## 6. Admissions test sessions and deadlines for applications for admission

- 1st session: **28 February 2025**
- 2nd session: **15 May 2025** (only if places still available or only for non-EU students)
- 3rd session: **9 July 2025** (only if places still available)
- 4th session: dates to be defined only if places still available

The application must be submitted by

Students who fail to pass the test in one session may apply for a subsequent session, for the same course for which they failed to pass the test, using the [online procedure](#), without having to pay a further test enrolment fee, subject to verification of the availability of places.

The dates of the tests already scheduled are subject to changes, which will be communicated to the candidates in advance.

The tests will be carried out online.

## 7. Criteria for admission

**Internal graduates and undergraduates:** graduates or students enrolled for the academic year 2024/25 who expect to graduate before the autumn session for the academic year 2024/25 (i.e. before 31 December 2025) in the Bachelor’s degree courses in *Comunicazione d’impresa e relazioni pubbliche* (or previous degree courses offered by the Faculty) or *Corporate Communication and Public Relations* who apply for admission in the first and second sessions will be placed (without taking any tests) in a ranking list ordered according to the average mark obtained (rounded to two decimal places), considering:

- For undergraduates, possession of at least 120 CFUs registered<sup>1</sup> as of 14 February 2025, and an average mark no lower than 25/30;
- for graduates, an average mark prior to graduation (not the degree grade expressed as a mark out of 30) no lower than 25/30.

For admission to the Master’s degree course in Marketing, Consumer Behaviour and Communication, internal candidates who meet the above requirements must also meet the language requirement, i.e. proficiency in English to at least level B2 (see point 4), with the exception of internal candidates on the degree course in Corporate Communication and Public Relations.

<sup>1</sup> Credits arising from additional learning requirements (OFAs), interim examinations, partial examinations and/or modules will not be taken into account, even if they have been registered.

A maximum total of 115 candidates will be admitted to the ranking list<sup>2</sup> in the first two sessions (85 for the course in Italian and 30 for the course in English). Should the quota reserved for internal graduates and undergraduates be reached, internal candidates who have been excluded will be able to take the same admissions test as external students (if necessary, even from the first session), and will follow the same admissions and selection criteria (without any differentiation between internal and external students).

Internal students who are unable to meet the above merit requirements may apply in the same way as external students, i.e. with the same admission and selection criteria, without any differentiation between internal and external students (see below).

Internal students on international mobility programmes in the first semester who intend to participate in the test in the first session must report this when presenting their application for admission by sending an e-mail to [ammissioni.magistrali@iulm.it](mailto:ammissioni.magistrali@iulm.it), in order to be able to take into account (for the purposes of verifying the requirement of having acquired 120 CFUs) the CFUs gained abroad and awaiting approval.

Any changes to the number of places reserved for internal candidates will be announced one week before the date of the test.

***External graduates and undergraduates and Italian graduates and undergraduates with foreign qualifications for admission obtained in Italy or abroad:*** admission for external graduates will be determined on the basis of the results of the admission test, supplemented by the points acquired through a merit assessment based on the Bachelor's degree grade.

Merit points will be awarded in accordance with the following table:

Bachelor's degree grade

Up to 88/110	= 0 points
from 89 to 98/110	= 1 point
from 99 to 110/110	= 2 points
110/110 cum laude	= 3 points

External undergraduates may take the test provided they have registered:

- for the first session at least 120 CFUs as of 14 February 2025
- for the second session at least 120 CFUs as of 15 April 2025
- for the third session at least 130 CFUs as of 12 June 2025

Admission will be determined on the basis of the results of the test, supplemented by the points awarded on the basis of the average marks for examinations registered (rounded to two decimal places) as of the dates given above. Merit points will be awarded in accordance with the following table:

Average grade (rounded to two decimal places)

Up to and including 25.99/30	= 0 points
from 26/30 to 27.99/30 inclusive	= 1 point
from 28/30 to 29.99/30 inclusive	= 2 points
30/30	= 3 points

Candidates with an overall score (test score + merit points) greater than or equal to 23 will be considered admitted. If the number of places is less than the number of admitted candidates, a ranking list will be drawn up based on the overall score obtained (test score + merit points) rounded to two decimal places. In the event of a tie, merit points deriving from the degree mark or the average marks obtained at the time of application will be taken into account. In the event of a further tie, preference will be given, in order, to the candidate who has obtained a higher score in the test questions aimed at ascertaining their language skills (English language) and, finally, to the date on which the application was submitted (considering the date and time of payment).

Candidates with an overall score (test score + merit points) of less than 18 will be declared ineligible; they may apply for one of the following sessions by submitting an explicit request to the Registrar's Office.

---

<sup>2</sup> In the event of a tie, for graduates the mark on submitting the application will be taken into account, and for undergraduates the average mark rounded to the second decimal place achieved on the date of submission of the application for admission will be taken into account for each session. In the event of a further tie, the date of payment of the application fee will be considered.

Candidates with an overall score (test score + merit points) of 18 or above and less than 23 will be placed on a waiting list that will be drawn up, in order of ranking, until all available places are filled, not before the second session, subject to notification from the Registrar's Office, which will be given no earlier than 27 May 2025.

The ranking list will be drawn up on the basis of the overall mark obtained by each candidate (test score + merit points). In the event of a tie, the degree mark or the average mark obtained at the time of submitting the application will be taken into account. In the event of a further tie, precedence will be given, in order, to the candidate who has obtained a higher score in the test questions aimed at ascertaining their language skills (English language) and, finally, to the date on which the application was submitted.

For the purposes of drawing up the ranking list, it is compulsory to submit:

- for undergraduates, a signed certificate/self-certification with the examinations taken (issued by their own university) **expressly specifying the average grade of the examinations passed**
- for graduates, a signed certificate/self-certification with degree grade and exams passed (issued by their own university)

by the following dates:

- by 14 February 2025 for the first session
- by 15 April 2025 for the second session
- by 12 June 2025 for the third session

If it is not possible to provide a certificate, it will be possible to fill in a declaration in lieu of certification using the [online procedure](#).

Subject to the availability of places, it is always possible to retake the test in the following session (cancelling the previously acquired score) or to request to be placed on the following ranking list while retaining the previously acquired score (only if it is 18 or above).

A maximum of 125 candidates (95 for the course held in Italian and 30 for the course held in English) in total will be admitted to the first two sessions.

Any changes to the quota of places reserved for external candidates may be communicated one week before the test date. In particular, any places not covered by the quota of internal candidates may be allocated to the quota of external candidates.

***Foreign graduates and undergraduates (EU and/or non-EU) with foreign qualifications for admission obtained in Italy or abroad:*** following the assessment of the curricular requirements, an admission test similar to that for candidates with Italian qualifications will be held online, the dates of which are published at the following [link](#).

Candidates with a score of 20 or above will be considered admitted. If the number of places is less than the number of admitted candidates, a ranking list will be drawn up based on the score obtained. In the event of a tie, preference will be given, in order, to the candidate who has obtained a higher score in the test questions aimed at ascertaining their language skills (English language) and, finally, to the date on which the application was submitted (considering the date and time of payment).

Candidates with a score of less than 15 will be declared ineligible; they may apply for one of the following sessions by submitting an explicit request to the Registrar's Office.

For admission to the course held in English, candidates who are non-native Italian speakers and/or non-Italian citizens are required to declare their level of proficiency in Italian when registering for the admission test and to obtain, by the end of their course of study, the required certificate of eligibility attesting to their written and oral proficiency in Italian (see point 5).

## **8. Confirmation of enrolment**

**Enrolment will be confirmed upon payment of the first instalment.**

Students admitted in the first session must complete enrolment by **31 March 2025**.

Students admitted in the second session must complete enrolment by **4 June 2025**

Students admitted in the third session must complete enrolment by **28 July 2025**

Depending on the number of admissions and the number of remaining places, the deadlines for enrolments may be shortened to allow the scrolling of the ranking list.

For internal students enrolled in the third year of their degree course in the academic year 2024/25, applying for the first session for enrolment in the Master's Degree Courses for the academic year 2025/26, the deadline for payment of the third instalment for the academic year 2024/25 is deferred to 22 April 2025 (instead of 31 March).

For students not yet in possession of a degree certificate, enrolment is to be considered "conditional" on obtaining the degree. Students with a conditional offer are obliged to communicate, through the [online services](#), the date and grade of the degree obtained as soon as they are announced, and to attach a copy of the degree certificate (or self-certification) as soon as it is available, and in any case no later than 31 December 2025.

Students unable to complete enrolment owing to failure to obtain a degree qualification before 31 December 2025 will have their enrolment officially annulled.

**Under no circumstances will the first instalment or the enrolment fee for the admissions test be refunded.**

## 9. Test procedures

The admission test is aimed at ascertaining the candidates' knowledge in the following subjects:

- Fundamentals of Statistics
- Marketing
- Business Economics
- Political Economics
- English

It consists of a written test comprising 40 multiple-choice questions. In addition, there are 20 further questions aimed at testing the candidate's skills in the following areas and which do not count towards the final mark for the purposes of the ranking: text comprehension, logic, numerical and verbal reasoning. There are no penalties in the event of an omitted or incorrect answer. A maximum time limit of 50 minutes is allowed for answering the 60 questions.

The admission test for the Master's Degree Course in Marketing, Consumer Behaviour and Communication is held in English in the same subject areas and with the same structure as the admission test for the Master's Degree Course in Marketing, consumi e comunicazione, with the exception of the English language proficiency questions, the level of which ranges from B2 to C1.
