

INSTRUCTIONS FOR YOUR ONLINE DEGREE APPLICATION - FIRST SESSION - A.Y. 2019/2020 (JULY 2020)

An online procedure has been set up for you to register and submit your degree application (“domanda di laurea”) for the first session for the academic year 2019/2020 (July 2020).

The procedure will be open from May 4th to June 5th, 2020 and it is available after logging in your student page in the section Degree > Diploma attainment (“Laurea > conseguimento titolo”).

Your degree application should not be printed, should not be signed by your Supervisor and should not be sent to the Registrar’s Office via email. Moreover, you do not need to buy a revenue stamp of 16 Euro to put on the degree application: the price of the stamp will be included in the MAV payment slip (316 Euro) available at the end of the online procedure.

The delivery of your final dissertation will be done exclusively through the online services by uploading your document from June 12th to 14th, 2020, in the section Degree > Diploma attainment > Upload final dissertation (which will be visible from June 12th).

Your Supervisor will read the final version of your document and will proceed with the necessary approval through the same procedure. Preliminary versions, drafts, single chapters will be shared with your Supervisor via email without the need to upload them in the online procedure.

Milan, May 6th, 2020
