

Spanish language proficiency test (levels B1, B2 and C1)

The written tests will take place on the QuestionMark platform and will be structured as follows.

B1 and B2 level tests, lasting a maximum of **40 minutes**:

- a reading comprehension with multiple-choice questions;
- 45 multiple-choice questions (completion of sentences with verb tenses in the correct form, articles, adverbs, conjunctions, prepositions, idioms, general knowledge).

Only if the B1 and B2 level tests are completed with success, students will have access to the **C1 level test**, which lasts a maximum of **40 minutes**:

- a reading comprehension with multiple-choice questions;
- 45 multiple-choice (sentences completion with the correct verb forms, articles, adverbs, conjunctions, prepositions, idioms, general knowledge).
