

SUMMARY OF UNIVERSITY TUITION AND FEES 2019/2020 ACADEMIC YEAR

**FOR STUDENTS ENROLLED IN UNDERGRADUATE AND
POSTGRADUATE PROGRAMMES**

BOARD OF DIRECTORS RESOLUTION PASSED ON 18 DECEMBER 2018

REGULATIONS FOR UNIVERSITY TUITION AND FEES

2019/2020 ACADEMIC YEAR

FOR STUDENTS ENROLLED IN UNDERGRADUATE AND POSTGRADUATE PROGRAMMES

Every year, the Board of Directors consults with the competent university offices and subsequently resolves on the number of students who may enrol in each degree programme. Additionally, the Board annually determines the amount and schedule of payment for tuition and fees (Art. 5, point 6, of the University Regulations).

The Board has established 5 tuition rates (section 1) for students enrolled in undergraduate and postgraduate programmes for the 2019/2020 academic year.

The 9 tuition rates established for previous academic years (section 2) still apply to students who renew enrolment for the 2019/2020 academic year, provided that the year of enrolment duly follows on from the previous year.

Therefore, the special tuition rate known as “Rate 0” (*fascia zero*) is only available for students (regardless of citizenship) who: (a) renew their enrolment as full-time students in an undergraduate or postgraduate programme for the 2019/2020 academic year; (b) enrol in the year that duly follows on from the previous year; (c) **already qualified for the “Rate 0” in the 2018/2019 academic year**; and (d) have a university ISEE value under € 5,000 (ISEE is a measure of a family’s financial status).

A **flat tuition rate** applies to EU and non-EU **international students** as well as to **students with Italian citizenship or dual citizenship** if their family resides abroad with foreign-sourced income and assets and they enrol or renew their enrolment in an undergraduate or postgraduate programme for the 2019/2020 academic year as a full- or part-time student.

SECTION 1 – STUDENTS ENROLLED IN THE 2019/2020 ACADEMIC YEAR

1.6 – DETERMINATION OF UNIVERSITY TUITION AND FEES FOR ITALIAN AND INTERNATIONAL STUDENTS WHO ARE ENROLLED IN THE 2019/2020 ACADEMIC YEAR AND WHOSE FAMILY RESIDES ABROAD WITH FOREIGN-SOURCED INCOME AND ASSETS (TABLES E AND F)

Students who enrol in undergraduate or postgraduate programmes as full- or part-time students for the 2019/2020 academic year pay a **flat tuition rate** if their family resides abroad with foreign-sourced income and assets. This rate – indicated in the tables below – applies to all such students regardless of their citizenship.

The regional fee for the right to education (currently € 140) and the required revenue stamp (currently € 16) are not included in the total amounts indicated in the tables.

Any late payments are subject to a late fee of € 50 for payments under € 3,000 and € 100 for any payments over € 3,000. In addition, late-paying students will have all their administrative and university-related activities frozen until late payments are received.

1.8 – AID FOR INTERNATIONAL STUDENTS OR ITALIAN STUDENTS RESIDING ABROAD (AS DESCRIBED IN SECTIONS 1.6 AND 1.7)

If a student meets the criteria under section 1.7 and is enrolled as a full-time student in an undergraduate or postgraduate programme, he/she is eligible for one of **5 merit scholarships** of € 3,000 each. Scholarship candidates are ranked based on the results of completed courses, provided that the courses are specifically listed as part of the Faculty's curriculum and duly registered in the student's transcript by the second exam session for the 2019/2020 academic year. The completed courses must be equal to at least 40 credits (CFU/ECTS). Any credits from exams or activities that took place prior to enrolment are not considered valid towards the CFU/ECTS count, even if they have been recognized and inserted in the student's transcript. If candidates have the same number of credits, selection is based on their weighted grade point average for successfully completed courses. The scholarship is awarded as a lump sum in September of 2020 following the publication of the ranked list of candidates.

To meet any accommodation requests on the part of students, **10 beds** are reserved in IULM University's residence halls at a special price of € 280/month. Of these 10 beds, 5 are reserved for students enrolled in the first year of an undergraduate programme during the 2019/2020 academic year, and 5 are reserved for students enrolled in the first year of a postgraduate programme during the 2019/2020 academic year (full-time courses only).

Please send requests to dirittoallostudio@iulm.it by **31 July 2019**. Beds will be assigned on a first come, first served basis until all 10 beds have been assigned. Applicants cannot be assigned a bed unless their enrolment is confirmed.

Furthermore, IULM University provides a 50% reduction in tuition and fees for the first year of coursework during the 2019/2020 academic year:

- to the first **10** students who enrol full-time in an undergraduate programme for the 2019/2020 academic year, provided they graduated from a foreign high school with a final grade of at least 70 out of 100 (calculated using the formula provided by the Italian Ministry of Education, University and Research). Candidates must provide official international certification of the final grade on their high school diploma.
- to the first **20** students who enrol full-time in a postgraduate (two-year masters degree) programme for the 2019/2020 academic year, provided they graduated from a foreign university with a final score of at least 80 out of 110.

All **reductions** are applied automatically. In any case, students remain fully responsible for revenue stamp fees, the regional fee for the right to education, and any late fees that may apply.

Students who renew enrolment in the year that duly follows on from their previous year of enrolment in undergraduate or postgraduate programmes as full- or part-time students for the 2019/2020 academic year pay a **flat tuition rate** if their family resides abroad with foreign-sourced income and assets. The regional fee for the right to education (currently € 140) and the required revenue stamp (currently € 16) are not included in the total amounts indicated in the tables.
