- Italian or EU nationals holding a qualification equivalent to the Italian high school diploma obtained on completion of a period of schooling of no less than 12 years;
- non-EU nationals upon presentation of an application for admission in accordance with provisions in force [regarding the entry, stay and enrolment of foreign/international students](#), as well as an evaluation of documentation and of each specific situation;
- Italian citizens attending the fourth year of an Italian high school – with the exception of the Bachelor's degree course in Interpreting and Communication, for which attendance in at least the fifth year is compulsory;
- Italian citizens attending the third or fourth year of Italian 4-year secondary education courses², with the exception of the Bachelor's degree course in Interpreting and Communication, for which attendance in at least the fourth and final year of the aforementioned courses is compulsory;
- Italian citizens attending the fifth year of an Italian high school;
- EU or non-EU nationals attending the final year in a high school in their home country or a *Foundation Year* (a preparatory course for international students who have not completed a 12-year period of schooling), subsequent to evaluation of documentation and of each specific situation.

Applicants for the admissions test for the Bachelor's degree course in *Corporate Communication and Public Relations* must have a knowledge of English equivalent to at least level B2 in the *Common European*

¹ Candidates with an equivalent qualification (even a four-year qualification, e.g. qualifications referred to at EQF level IV) must also check its validity for the purposes of admission to the University with the institution awarding the qualification

² Activated pursuant to Ministerial Decree No. 567 of 3 August 2017, which promotes a national plan for organisational innovation, reducing the traditional five-year secondary school system to four years

Framework of Reference for Languages (CEFR). Applicants who are not in possession of the required language certification (or with certification that is no longer valid) must take the specific Assessment Test following the procedures described below. Applicants who have completed their entire high school studies attending English-speaking schools in Italy or abroad will be exempt from the assessment test.

Admission to the degree courses in *Interpreting and Communication* and *Languages, culture and digital communication* requires at least a basic knowledge of English (at least level A2 in the CEFR), while a "beginner" level is admissible for all other languages of study. As a result, students with a "beginner" level of English in both the written and oral tests cannot be admitted to the degree courses in *Interpreting and Communication* and in *Languages, culture and digital communication*.

3. Dates of admissions test sessions

Tests for admission to the Bachelor's degree courses for the academic year 2022/23 will take place on the following dates:

- 1st session: 29 November to 3 December 2021
- 2nd session: 7 to 16 March 2022
- 3rd session: 16 to 26 May 2022
- 4th session: 15 to 22 July 2022

Once all places have been filled for the ordinary sessions, the Academic Senate may authorise the organisation of further extraordinary sessions for courses with further availability of non-assigned places.

Exceptional circumstances may lead to changes in the dates of the sessions.

The opening of the sessions may be arranged in stages, i.e. registration procedures for the different sessions will be activated at the same time as enrolments are proceeding.

During the different sessions, only applications for tests where a sufficient number of places are still available will be requested.

4. Terms and procedures for enrolment in admissions tests

To register for the admission tests, you must submit an application via the online procedure described on the University's website (hereafter referred to as the "online procedure").

Applicants must register through the online services. Registration is to be carried out only once. After completing registration, the system will assign a user name and password which will allow applicants to sign in and fill in their personal details. It is compulsory to provide your personal details the first time you access the site.

Once you have registered and provided your personal details you can access the online procedure and register for the test.

During enrolment procedures you will be asked to provide:

- PDF format scan of the front and back of an identity document (identity card/passport) and PDF format scan of the front and back of the tax code/health card; for non-EU students, a PDF format scan of a valid residence permit is compulsory;
- third- and fourth-year school reports (in a single PDF file) for applicants in their fifth year or who have already finished school, or only the third-year report for students currently in their fourth year;
- second- and third-year school reports (in a single PDF file) for applicants in their fourth and final year of 4-year secondary education courses³ (or who have already finished school), while only the second-year report will be requested for students currently in their third year of the aforementioned courses;

³ Activated pursuant to Ministerial Decree no. 567 of 3 August 2017.

- average marks for the third and/or fourth year (depending on current year of study – excluding marks for physical education, religion and conduct/behaviour). The result must be rounded up or down to one decimal place (e.g. 7.53 = 7.5; 6.55 = 6.6; 6.96 = 7.0);
- any English language certification for at least level B2 (on condition it was obtained after 1st January 2019 and indicated in the related table of exemptions at the following [link](#));
- for non-native Italian speakers applying for the Bachelor's course in *Corporate Communication and Public Relations*, any Italian language certification for at least level B2.

If the school reports are not available at the time of registration for the test, in exceptional cases, a replacement form may be uploaded, which can be downloaded from the online procedure; however, applicants are still obliged to submit the required documents prior to the date of the test.

Applicants enrolled in an Italian school who attended their fourth year abroad may only enter their third-year report; attending the fourth year abroad for at least one semester, which must be duly certified by attaching the transcript of records for the last year, will constitute an element of merit which will be taken into due consideration when drawing up the ranking. Applicants enrolled in a foreign school (in Italy or abroad) will enter their reports for all years of study; attending a foreign school will constitute an element of merit which will be taken into due consideration when drawing up the ranking.

Applicants in possession of a foreign qualification, or a qualification obtained from a foreign or international high school in Italy, must notify the University in advance (prior to the closing date for enrolment in the test) by writing an e-mail to: admission@iulm.it in order to verify the validity of the qualification for the purposes of admission to University courses, and at the same time to upload the documents to the apply.iulm.it platform. For this purpose, applicants must send their full transcript of records, their high school diploma (where applicable) as described in the section of the University website dedicated to [enrolment procedures for foreign students](#).

If verification on the part of the Registrar's Office shows that the qualification held is not valid for admission to a university level course of study, the test participation fee will be refunded (net of secretarial fees).

Participation is subject to payment of a fee of €120,⁴ which will be deducted from the first instalment (on one occasion only for the course on which the student enrolls) upon confirmation of enrolment.

It is possible to participate in more than one test for more than one degree course in the academic year 2022/23 by paying the €120 fee for each course. Exceptions are the degree courses in *Comunicazione d'impresa e relazioni pubbliche (in Italian)* and *Corporate Communication and Public Relations (in English)* for which it is not possible to register for both tests in the same session (since they are the same course with one being the English language equivalent of the other).

Students who fail to pass the test in one session may apply for a subsequent session for the academic year 2022/23 by submitting a new application for admission through the online procedure, without having to pay a further test participation fee.

The participation fee will not be refunded under any circumstances.

Failure to pay the participation fee or late payment of the participation fee after the deadlines for each session will preclude access to the test.

Applications for admission to the test sessions must be submitted online in accordance with the following schedules:

- 1st session: 2 to 22 November 2021

⁴ Excepting students resident abroad who, subject to specific authorisation and/or through a recruiting agent, take the admissions test at another location abroad, for which a different participation fee rate may be charged.

- 2nd session: 23 November 2021 to 28 February 2022
- 3rd session: 1 March to 9 May 2022
- 4th session: 10 May⁵ to 11 July 2022

Exceptional circumstances may lead to changes in the scheduled dates.

5. Test regulations

The test will be carried out online, therefore:

- candidates must be in possession of a device equipped with webcam and microphone. The University's technical support will check that they function correctly following procedures to be communicated on each occasion;
- convocation for the test will be exclusively via e-mail using the address provided during registration. The e-mail will provide details of when personal details will be verified and when the actual test will be carried out;
- verification of personal details is compulsory for subsequent participation in the test; candidates must present themselves (at the time and following the procedures described in the e-mail) with a valid ID document (identity card, driving licence or passport; compulsory residence permit for candidates who do not have EU citizenship);
- the test must be carried out by logging in to the virtual rooms indicated in the e-mail, so that University staff can carry out the necessary invigilation. The staff will also formally start the tests: tests started prior to communication from the University staff and/or carried out without a connection to the virtual room will be considered null and void;
- while taking the test, candidates must comply scrupulously with the specified regulations and failure to do so will result in the test being declared null and void.

6. Admissions tests and rankings

For the Bachelor's Degree Courses in:

- *Arts, Media, Cultural Events*
- *Tourism, Management and Culture*
- *Interpreting and Communication*
- *Languages, culture and digital communication*

the test is not selective, but aimed exclusively at assessing personal skills. Only if the maximum number of places available has been reached will a ranking be drawn up on the basis of the results of the test, and aimed at assigning the remaining places.

Based on the results of the test, where applicable, Additional Learning Requirements (OFA) may be assigned in specific subjects. Assignment criteria and procedures will subsequently be determined in meetings of the Faculty Boards.

For the Bachelor's Degree Courses in:

- *Fashion and Creative Industries*
- *Communication, Media and Advertising*
- *Corporate Communication and Public Relations (Italian and English-taught)*

access is selective and is based on a ranking drawn up on the basis of scholastic merit and the results of the test. In particular, the position in the ranking (only for candidates already in possession of their school-leaving diploma or attending the fifth year of high school) is determined as follows:

⁵ In the event of potential over-subscription of places at the end of the third session, the opening date for registration for the fourth session may be postponed by a week or more.

- 50% - test results;
- 40% - school curriculum (average marks in third and fourth years);
- 10% - level of knowledge of English as assessed during the admissions test.

Access procedures based on ranking scores depend on the session in which the test was carried out. In particular:

- for the 1st and 2nd sessions only candidates with a score of no less than 70 % of the maximum score will be admitted;
- for the 4th and final session all candidates will be admitted based on the ranking with the score obtained until all available places have been filled. Candidates with a score of less than 70% of the maximum score who may be included in the ranking may be admitted with the assignment of OFAs in specific subjects. Assignment criteria and OFA procedures will subsequently be determined in meetings of the Faculty Boards;
- for the 3rd session, depending on the number of places still available for each specific degree course, the criteria applied to the 2nd session may be applied, or those for the 4th session may be applied in advance. The criteria adopted for the 3rd session will be communicated 5 days prior to the date of the test.

For the Bachelor's Degree Course in:

- *Corporate Communication and Public Relations (in English)*

access is selective and is based on a ranking drawn up on the basis of scholastic merit and the results of the test. In particular, the position in the ranking (only for candidates already in possession of their school-leaving diploma or attending the fifth year of high school) is determined as follows:

- 50% - test results;
- 50% - school curriculum (average marks in third and fourth years).

In order to be admitted to the test, candidates must have a knowledge of English equivalent to at least level B2 in the *Common European Framework of Reference for Languages (CEFR)*. In particular:

- candidates with an international language certificate⁶ (obtained after 1 January 2019) will be admitted directly to the test. A digital copy of the certification must be attached during the online registration procedures;⁷
- candidates who do not have a language certificate (or who have a certificate that is no longer valid) must take a language assessment test. If the results of the test show the candidate has a knowledge of English equivalent to level B2 or above, they will be admitted to the test.

Candidates who fail to pass the assessment test may, if they so wish, be admitted to the admissions test for the Bachelor's Degree Course in *Corporate Communication and Public Relations* (held in Italian) without having to make a further payment of the participation fee; conversely, the assessment test may be repeated in subsequent sessions at no additional cost.

Candidates who fail to pass the assessment test in one session, but manage to pass in a subsequent session must take the test to access the degree course in *Corporate Communication and Public Relations*. For this purpose, any test already passed for the degree course in *Corporate Communication and Public Relations* (held in Italian) will not be considered valid.

Access procedures based on ranking scores depend on the session in which the test was carried out. In particular:

- for the 1st and 2nd sessions only candidates with a score of no less than 70 % of the maximum score will be admitted;

⁶ IELTS (5.5 - 6.5); CAE (160-179); TOEFL IBT (87-109); TOEFL (46-93); FCE (160-179); BEC Vantage (160-179); BEC Higher (160-179)

⁷ Those who have passed the assessment test in a previous test session (not prior to 1 November 2020) with a level of at least B2 may also enrol in the test for Corporate Communication and Public Relations.

- for the 4th and final session all candidates will be admitted based on the ranking with the score obtained until all available places have been filled. Candidates with a score of less than 70% of the maximum score who may be included in the ranking may be admitted with the assignment of OFAs in specific subjects. Assignment criteria and OFA procedures will subsequently be determined in meetings of the Faculty Boards;
- for the 3rd session, depending on the number of places still available for each specific degree course, the criteria applied to the 2nd session may be applied, or those for the 4th session may be applied in advance. The criteria adopted for the 3rd session will be communicated 5 days prior to the date of the test.

On the occasion of the admissions test, it will be possible to take an optional English Placement Test (participation in which does not in any way affect the score for admission) which, if passed with at least 80% of correct answers, will give the candidate, once enrolled, the opportunity to participate in the subsequent test to complete assessment of their level of proficiency in written and oral English, which will take place in September 2022. Depending on the level reached, the outcome of this test may or may not result in exemption from the Professional English III and/or Professional English IV exams.

Passing the English Placement Test with at least 80% of the answers correct does not in itself lead to any exemption or other benefit, but only allows access to the subsequent written and oral language assessment test. Candidates who do not pass the English Placement Test with at least 80% of the answers correct will not be allowed to take the language assessment test.

Non-exempt candidates will have no demerit or debt registered on their university records: they will simply be able to attend English language courses and sit the relevant examinations, as for any other subject.

The structure and duration of the tests for each Bachelor's Degree Course are shown in Annex 2 of these Regulations.

7. Additional Learning Requirements (OFA)

Depending on the results of the test and the degree course enrolled on, Additional Learning Requirements (OFAs) may be assigned in specific subjects. The assignment of OFAs does not in any way compromise enrolment.

Assignment criteria, procedures and timescales for the OFAs will subsequently be determined by the respective Faculty Boards.

The Additional Learning Requirements must be satisfied by the end of the first year of the course (by September 2023).

All enrolled students admitted to the degree course in *Corporate Communication and Public Relations* (who declared themselves as non-mother-tongue Italian speakers or for those who do not possess certification of knowledge of Italian equivalent to at least level B2) and non-Italian citizens, information will subsequently be provided regarding procedures for reaching the required suitability certifying the possession of the skills for the effective use of the Italian language by the end of their course of studies.

8. Publication of Admissions Test Results

Results will be published on the following dates:

- 1st session: 15 December 2021
- 2nd session: 28 March 2022
- 3rd session: 7 June 2022
- 4th session: 28 July 2022

The dates are subject to variations.

The results will normally be communicated by e-mail to the address provided by the candidate during registration.

Candidates who are not admitted may apply to:

- repeat the test, by submitting an application through the online procedure at no extra cost. In this case the score previously obtained for that course of studies will automatically be annulled;
- be included in the first appropriate ranking, following the instructions provided by the Registrar's Office and maintaining the previously obtained score, subject to availability of places.

9. Confirmation of Enrolment and Registration

Registration can be carried out through the [Online services](#) and will be confirmed only upon receipt by IULM University of payment of the first instalment.

Those admitted must complete registration in the following periods:

- 1st session: 12 January to 28 February 2022
- 2nd session: 28 March to 28 April 2022
- 3rd session: 7 to 30 June 2022⁸
- 4th session: 28 July to 29 August 2022⁹

For each session, the admitted candidate who fails to confirm registration by the respective deadline will lose any priority deriving from their position in the ranking for that session (and their place may be assigned to another candidate). Subsequently the candidates may apply to:

- be included in the first appropriate ranking, following the instructions provided by the Registrar's Office and maintaining the previously obtained score (subject to availability of places);
- repeat the test, by submitting an application through the online procedure at no extra cost. In this case the score previously obtained for that course of studies will automatically be annulled.

The registration of students awaiting the results of their school-leaving examination (the "Maturità") will be considered conditional until confirmation is provided through the [Online services](#) of having passed the exam. Students must provide the date of passing the exam and the mark obtained by 29th July 2022. Failure to communicate the result of the Maturità examination by 29th July 2022 will result in the cancellation of the registration without the right to a refund of the first instalment paid. The first instalment paid will only be refunded if documented proof is provided of failure to pass the examination.

Should fourth-year high school students (or third-year students in the aforementioned 4-year courses) pass the admissions test, they will be able to keep the score obtained and access a dedicated registration window (November 2022) to have priority enrolment for the academic year 2023/24, procedures for which will be communicated in November 2022¹⁰. Admitted candidates who choose not to benefit from the opportunity to enrol by the end of the dedicated registration window will lose all rights deriving from the positive outcome of the test and will have to take the test again if they wish to enrol for the 2023/24 academic year. It must be noted that the courses and/or enrolment fees for the academic year 2023/24 may differ from those for the academic year 2022/23.

⁸ In the event of potential over-subscription, the deadlines for registration could be shortened so as to allow for the appropriate scrolling of the ranking list.

⁹ see note 8

¹⁰ The test passed by candidates attending the fourth year of high school is to be considered final for the purposes of enrolment in the dedicated registration window, and cannot therefore be repeated, even partially.

10. Scrolling of the Ranking List

If the number of students admitted exceeds the number of places available, the number of students in excess will be placed on a waiting list while maintaining their position in the ranking. After the closing date for registration for each specific session, any places left free by students who were admitted but did not proceed with registration may be assigned to admitted students on the waiting list in accordance with their order in the ranking (scrolling of the ranking list).

If necessary, the scrolling of the rankings will start on the following dates:

- 2nd session: 3 May 2022
- 3rd session: 23 June 2022
- 4th session: 5 September 2022

When the ranking is scrolled, admitted students on the waiting list will be informed of the deadlines for confirming enrolment, usually no more than three working days after the communication.

Following similar procedures, further scrollings may take place if there are still names on the waiting list and there are still places available.

As is the case with candidates who have been admitted, the position in the ranking for those who are on the waiting list who fail to confirm enrolment within the set deadlines will lose all validity.

11. Remote test for international students

Candidates who are foreign nationals resident abroad (or Italians resident abroad, even temporarily, who for exceptional and duly documented reasons are unable to connect on the scheduled dates and times) and are in possession of a foreign or Italian qualification can take the test remotely by submitting a request to admission@iulm.it in the case of foreigners resident abroad, subject to assessment of their qualifications and following dedicated procedures, and to segreteria.studenti@iulm.it in the case of Italian candidates, at least one week before the deadline for applying for admission.

12. Candidates with disabilities and candidates with Specific Learning Disorder (DSA)

Candidates with disabilities, in possession of a certificate of civil disability and/or recognition of disabled status in accordance with Law 104/92, and candidates with Specific Learning Disorder (DSA), in possession of DSA certification in accordance with Law 170/2010 will be able to upload the documentation in PDF format during the online procedure for test enrolment.

This documentation shall be valid and issued in accordance with the law. In order to request the compensatory measures/dispensations, the application must be submitted at least 7 days before the test by sending an email to the diversamente@iulm.it service at: diversamente@iulm.it.

13. Transfers from other Universities

As a rule, transfers into the first year, especially for degree courses for which there is a selective test, are not accepted. However, specific requests may be assessed on a case-by-case basis and acceptance will also depend on the compatibility between the timing of the request to leave the applicant's current university and the schedule of admissions tests at IULM University.

In any case, if the conditions exist to accept the transfer request for the first year, the applicant will be obliged to take the admissions test (and pass it in the case of selective tests).

If the student wishes to take the test in advance of the date on which they filed their request to leave their current university, they must give prior notice (at least ten days before the date of the test) to segreteria.studenti@iulm.it, or the test will be cancelled. In any case, the candidate may be included in the admissions ranking list only after their current university has issued authorization, after checking the

availability of places and at their express request; until then, the candidate may neither be included in the ranking nor have a place reserved in advance.

Transfers into second and third years are always possible. They do not require students to take the test and will depend solely on the students' studies carried out thus far as assessed by the Registrar's Office.

It is possible for students withdrawing from other universities to be admitted to the first year, with the possibility (to be assessed on a case-by-case basis) of validating exams already taken.

14. Privacy policy on the processing of personal data

Data is processed in accordance with the GDPR (General Regulation on Data Protection) art. 13, EU Reg. 2016/679.
