The Academic Senate deliberated the following number of enrolments for Bachelor's Degree Courses for the academic year 2023/24:

Faculty of Arts and Tourism

- *Arts and Cultural Events*¹ 250
- *Fashion and Creative Industries* 250
- *Tourism, Management and Culture* 240

2. Access requirements

The following categories of candidates may apply for the admissions test:

- Italian or EU nationals holding an Italian 5-year high school diploma or equivalent qualification²;
- Italian or EU nationals holding a qualification equivalent to the Italian high school diploma obtained on completion of a period of schooling of no less than 12 years;
- non-EU nationals upon presentation of an application for admission in accordance with provisions in force regarding the entry, stay and enrolment of foreign/international students, as well as an evaluation of documentation and of each specific situation;
- Italian citizens attending the fourth year of an Italian high school – with the exception of the Bachelor's degree course in Interpreting and Communication, for which attendance in at least the fifth year is compulsory;
- Italian citizens attending the third or fourth year of Italian 4-year secondary education courses³, with the exception of the Bachelor's degree course in Interpreting and Communication, for which attendance in at least the fourth and final year of the aforementioned courses is compulsory;
- Italian citizens attending the fifth year of an Italian high school;
- EU or non-EU nationals attending the final year in a high school in their home country or a *Foundation Year* (a preparatory course for international students who have not completed a 12-year period of schooling), subsequent to evaluation of documentation and of each specific situation.

¹ New title of the course pending ministerial approval for the academic year 2023/24

² Candidates with an equivalent qualification (even a four-year qualification, e.g. qualifications referred to at EQF level IV) must also check its validity for the purposes of admission to the University with the institution awarding the qualification

³ Activated pursuant to Ministerial Decree No. 567 of 3 August 2017, which promotes a national plan for organisational innovation, reducing the traditional five-year secondary school system to four years

Applicants for the admissions test for the Bachelor's degree course in *Corporate Communication and Public Relations* must have a knowledge of English equivalent to at least level B2 in the *Common European Framework of Reference for Languages* (CEFR). Applicants who are not in possession of the required language certification (or with certification that is no longer valid) must take a specific Language Assessment Test (*the dates for which are specified in Annex 2*) following the procedures described below. Applicants who have completed their entire high school studies attending English-speaking schools in Italy or abroad may be exempt from the assessment test.

Admission to the degree courses in *Interpreting and Communication* and *Languages, Culture and Digital Communication* requires at least a basic knowledge of English (at least level A2 in the CEFR), while a "beginner" level is admissible for all other languages of study. As a result, students with a "beginner" level of English in both the written and oral tests cannot be admitted to the degree courses in *Interpreting and Communication* and in *Languages, Culture and Digital Communication*.

3. Dates of admissions test sessions

Tests for admission to the Bachelor's degree courses for the academic year 2022/23 will take place on the following dates:

- 1st session: 5 to 16 December 2022
- 2nd session: 9 to 17 March 2023
- 3rd session: 16 to 24 May 2023
- 4th session: 14 to 21 July 2023

Once all places have been filled for the ordinary sessions, the Academic Senate may authorise the organisation of further extraordinary sessions for courses with further availability of non-assigned places.

Exceptional circumstances may lead to changes in the dates of the sessions.

The opening of the sessions may be arranged in stages, i.e. registration procedures for the different sessions will be activated at the same time as enrolments are proceeding.

During the different sessions, only applications for tests where a sufficient number of places are still available will be requested.

4. Terms and procedures for enrolment in admissions tests

To register for the admission tests, you must submit an application via the online procedure described on the University's website (hereafter referred to as the "online procedure").

Applicants must register before enrolling for the test. Registration is to be carried out only once. After completing registration, the system will assign a username and password which will allow applicants to sign in and fill in their personal details. It is compulsory to provide your personal details the first time you access the site.

Once you have registered and provided your personal details you can access the online procedure and register for the test.

During enrolment procedures you will be asked to provide:

- PDF format scan of the front and back of an identity document (identity card/passport) and PDF format scan of the front and back of the tax code/health card; for non-EU students, a PDF format scan of a valid residence permit is compulsory;
- third- and fourth-year school reports for applicants in their fifth year or who have already finished school, or only the third-year report for students currently in their fourth year;

- second- and third-year school reports for applicants in their fourth and final year of 4-year secondary education courses⁴ (or who have already finished school), while only the second-year report will be requested for students currently in their third year of the aforementioned courses;
- average marks for the third and/or fourth year (depending on current year of study – excluding marks for physical education, religion and conduct/behaviour). The result must be rounded up or down to one decimal place (e.g. 7.53 = 7.5; 6.55 = 6.6; 6.96 = 7.0);
- any English language certification for at least level B2 (on condition it was obtained after 1st January 2021 and specified in the related table of exemptions at the following [link](#));
- for non-native Italian speakers applying for the Bachelor's course in *Corporate Communication and Public Relations*, any Italian language certification for at least level B2.

If the school reports are not available at the time of registration for the test, in exceptional cases, a replacement form may be uploaded, which can be downloaded from the online procedure; however, applicants are still obliged to submit the required documents prior to the date of the test.

Applicants enrolled in an Italian school who attended their fourth year abroad may only enter their third-year report; attending the fourth year abroad for at least one semester, which must be duly certified by attaching the transcript of records for the last year, will constitute an element of merit which will be taken into due consideration when drawing up the ranking. Applicants enrolled in a foreign school (in Italy or abroad) will enter their reports for all years of study; attending a foreign school will constitute an element of merit which will be taken into due consideration when drawing up the ranking.

Italian applicants or foreign applicants permanently-resident in Italy in possession of a qualification obtained from a foreign or international high school must register and upload the following documents in the [online procedure](#): full transcript of records and final high school diploma (where applicable).

Italian applicants or foreign applicants permanently-resident abroad in possession of a foreign qualification obtained abroad must submit their application for admission to [apply.iulm.it](#) in order to verify the validity of the qualification for the purposes of admission to University courses, as described in the section of the University website dedicated to [enrolment procedures for foreign students](#). For this purpose, applicants must send their full transcript of records, and their high school diploma (where applicable).

If verification on the part of the Registrar's Office shows that the qualification held is not valid for admission to a university level course of study, the test participation fee will be refunded (net of secretarial fees).

Participation is subject to payment of a fee of €100.⁵

It is possible to participate in more than one test for more than one degree course in the academic year 2023/24 by paying the €100 fee for each course.

Exceptions are the degree courses in *Comunicazione d'impresa e relazioni pubbliche (in Italian)* and *Corporate Communication and Public Relations (in English)* for which it is not possible to register for both tests in the same session (since they are the same course with one being the English language equivalent of the other). However, should the applicant wish to take the test for the other course in a subsequent session (e.g. an applicant who passed the test for *Comunicazione d'impresa e relazioni pubbliche [in Italian]* in the first session and then wishes to take the test for *Corporate Communication and Public Relations [in English]* in the second session) must pay the related fee.

Students who fail to pass the test in one session may apply for a subsequent session for the academic year 2022/23 by submitting a new application for admission through the online procedure, without having to pay a further test participation fee.

⁴ Activated pursuant to Ministerial Decree no. 567 of 3 August 2017.

⁵ Excepting students resident abroad who, subject to specific authorisation and/or through a recruiting agent, take the admissions test at another location abroad, for which a different participation fee rate may be charged.

The participation fee will not be refunded under any circumstances (except for failure to take the test due to the number of places available being insufficient or at the behest of the University governing bodies). It should be noted that an applicant's failure to participate in the test for any reason whatsoever does not constitute grounds for reimbursement.

Failure to pay the participation fee or late payment of the participation fee after the deadlines for each session will preclude access to the test.

Applications for admission to the test sessions must be submitted online in accordance with the following schedules:

- 1st session: 3 to 28 November 2022
- 2nd session: 29 November 2022 to 23 February 2023
- 3rd session: 24 February to 3 May 2023
- 4th session: 10 May⁶ to 6 July 2023

Exceptional circumstances may lead to changes in the scheduled dates.

5. Test regulations

Il test si svolge in modalità telematica, pertanto:

- candidates must be in possession of a device equipped with webcam and microphone. The University's technical support will check that they function correctly following procedures to be communicated on each occasion;
- convocation for the test will be exclusively via e-mail using the address provided during registration. The e-mail will provide details of when personal details will be verified (not necessarily on the same day as the test) and when the actual test will be carried out;
- the online verification of personal details is compulsory and binding for subsequent participation in the test; candidates must present themselves (on the dates specified in Annex 3 and communicated in advance by the Registrar's Office) with a valid ID document (identity card, driving licence or passport; compulsory residence permit for candidates who do not have EU citizenship);
- the test must be carried out by logging in to the virtual rooms indicated in the e-mail, so that University staff can carry out the necessary invigilation. The staff will also formally start the tests: tests started prior to communication from the University staff and/or carried out without a connection to the virtual room will be considered null and void;
- while taking the test, candidates must comply scrupulously with the specified regulations and failure to do so will result in the test being declared null and void.

6. Admissions tests and rankings

For the Bachelor's Degree Courses in:

- *Arts and Cultural Events*
- *Tourism, Management and Culture*
- *Interpreting and Communication*
- *Languages, Culture and Digital Communication*

the test is not selective but aimed exclusively at assessing personal skills. Only if the maximum number of places available has been reached will a ranking be drawn up on the basis of the results of the test, and aimed at assigning the remaining places.

⁶ In the event of potential over-subscription of places at the end of the third session, the opening date for registration for the fourth session may be postponed by a week or more.

Based on the results of the test, where applicable, Additional Learning Requirements (OFA) may be assigned in specific subjects. Assignment criteria and procedures will subsequently be determined in meetings of the Faculty Boards.

For the Bachelor's Degree Courses in Interpreting and Communication and Languages, Culture and Digital Communication, there will also be a subsequent oral interview to ascertain the level of knowledge of English and of the second language chosen. The test is only for enrolled students and is aimed at ensuring a homogeneous composition of language classes based on the student's level. The Registrar's Office will send an e-mail to the students concerned after enrolment with the dates of the tests, which will be scheduled in May, July and September.

For the Bachelor's Degree Courses in:

- *Fashion and Creative Industries*
- *Communication, Media and Advertising*
- *Corporate Communication and Public Relations*

access is selective and is based on a ranking drawn up on the basis of scholastic merit and the results of the test. In particular, the position in the ranking (only for candidates already in possession of their school-leaving diploma or attending the fifth year of high school) is determined as follows:

- 50% - test results;
- 40% - school curriculum (average marks in third and fourth years);
- 10% - level of knowledge of English as assessed during the admissions test.

Access procedures based on ranking scores depend on the session in which the test was carried out. In particular:

- for the 1st and 2nd sessions only candidates with a score of no less than 70 % of the maximum score will be admitted;
- for the 4th and final session all candidates will be admitted based on the ranking with the score obtained until all available places have been filled. Candidates with a score of less than 70% of the maximum score who may be included in the ranking may be admitted with the assignment of OFAs in specific subjects. Assignment criteria and OFA procedures will subsequently be determined in meetings of the Faculty Boards;
- for the 3rd session, depending on the number of places still available for each specific degree course, the criteria applied to the 2nd session may be applied, or those for the 4th session may be applied in advance. The criteria adopted for the 3rd session will be communicated on the University website 5 days prior to the date of the test.

For the Bachelor's Degree Course in:

- *Corporate Communication and Public Relations (in English)*

access is selective and is based on a ranking drawn up on the basis of scholastic merit and the results of the test. In particular, the position in the ranking (only for candidates already in possession of their school-leaving diploma or attending the fifth year of high school) is determined as follows:

- 50% - test results;
- 50% - school curriculum (average marks in third and fourth years).

In order to be admitted to the test, candidates must have a knowledge of English equivalent to at least level B2 in the *Common European Framework of Reference for Languages (CEFR)*. In particular:

- candidates with an international language certificate⁷ (obtained after 1st January 2021) will be admitted directly to the test. A digital copy of the certification must be attached during the online registration procedures;⁸
- candidates who do not have a language certificate (or who have a certificate that is no longer valid) must take a language assessment test (*the dates for which are specified in Annex 2*). If the results of the test show the candidate has a knowledge of English equivalent to level B2 or above, they will be admitted to the test.

Candidates who fail to pass the language assessment test may, if they so wish, be admitted to the admissions test for the Bachelor's Degree Course in *Corporate Communication and Public Relations* (held in Italian) without having to make a further payment of the participation fee; conversely, the assessment test may be repeated in subsequent sessions at no additional cost.

Candidates who fail to pass the assessment test in one session, but manage to pass in a subsequent session must also take the test to access the degree course in *Corporate Communication and Public Relations*. For this purpose, any test already passed for the degree course in *Corporate Communication and Public Relations* (held in Italian) will not be considered valid.

Access procedures based on ranking scores depend on the session in which the test was carried out. In particular:

- for the 1st and 2nd sessions only candidates with a score of no less than 70 % of the maximum score will be admitted;
- for the 4th and final session all candidates will be admitted based on the ranking with the score obtained until all available places have been filled. Candidates with a score of less than 70% of the maximum score who may be included in the ranking may be admitted with the assignment of OFAs in specific subjects. Assignment criteria and OFA procedures will subsequently be determined in meetings of the Faculty Boards;
- for the 3rd session, depending on the number of places still available for each specific degree course, the criteria applied to the 2nd session may be applied, or those for the 4th session may be applied in advance. The criteria adopted for the 3rd session will be communicated on the University website 5 days prior to the date of the test.

On the occasion of the admissions test, it will be possible to take an optional English Placement Test (participation in which does not in any way affect the score for admission) which, if passed with at least 80% of correct answers, will give the candidate, once enrolled, the opportunity to participate in the subsequent test to complete assessment of their level of proficiency in written and oral English, which will take place in September 2022. Depending on the level reached, the outcome of this test may or may not result in exemption from the Professional English III and/or Professional English IV exams.

Passing the English Placement Test with at least 80% of the answers correct does not in itself lead to any exemption or other benefit, but only allows access to the subsequent written and oral language assessment test. Candidates who do not pass the English Placement Test with at least 80% of the answers correct will not be allowed to take the language assessment test.

Non-exempt candidates will have no demerit or debt registered on their university records: they will simply be able to attend English language courses and sit the relevant examinations, as for any other subject.

The structure and duration of the tests for each Bachelor's Degree Course are shown in Annex 4 of these Regulations.

⁷ From among those listed and obtained with a score equal to or higher than the one indicated in brackets: IELTS (5.5); Cambridge FCE or CAE (160); TOEFL (46); TOEFL IBT (87); BEC Vantage or Higher (160).

⁸ Those who have passed the assessment test in a previous test session (not prior to 1 November 2021) with a level of at least B2 may also enrol in the test for Corporate Communication and Public Relations.

7. Additional Learning Requirements (OFA)

Depending on the results of the test and the degree course enrolled on, Additional Learning Requirements (OFAs) may be assigned in specific subjects. The assignment of OFAs does not in any way compromise enrolment.

Assignment criteria, procedures and timescales for the OFAs will subsequently be determined by the respective Faculty Boards.

The Additional Learning Requirements must be satisfied by the end of the first year of the course (by September 2024).

For non-native Italian speakers (or for those who do not possess certification of knowledge of Italian equivalent to at least level B1) and/or non-Italian citizens admitted to the degree course in *Corporate Communication and Public Relations*, information will subsequently be provided regarding procedures for obtaining, by the end of their studies, the required proof certifying the possession of skills for the effective use of the Italian language.

8. Publication of Admissions Test results

Results will be published on the following dates:

- 1st session: 12 January 2023
- 2nd session: 29 March 2023
- 3rd session: 7 June 2023
- 4th session: 27 July 2023

The dates are subject to variations.

The results will normally be communicated by e-mail to the address provided by the candidate during registration.

Candidates who are not admitted may apply to:

- repeat the test, by submitting an application through the online procedure at no extra cost. In this case the score previously obtained for that course of studies will automatically be annulled;
- be included in the first appropriate ranking, following the instructions provided by the Registrar's Office and maintaining the previously obtained score, subject to availability of places.

9. Confirmation of enrolment and registration

Registration can be carried out through the [Online services](#) and will be confirmed only upon receipt by IULM University of payment of the first instalment.

Those admitted must complete registration in the following periods:

- 1st session: 16 January to 28 February 2023
- 2nd session: 30 March to 27 April 2023
- 3rd session: 8 to 27 June 2023⁹
- 4th session: 28 July to 29 August 2023¹⁰

⁹ In the event of potential over-subscription, the deadlines for registration could be shortened so as to allow for the appropriate scrolling of the ranking list.

¹⁰ see note 8

For each session, the admitted candidate who fails to confirm registration by the respective deadline will lose any priority deriving from their position in the ranking for that session (and their place may be assigned to another candidate). Subsequently the candidates may apply to:

- be included in the first appropriate ranking, following the instructions provided by the Registrar's Office and maintaining the previously obtained score (subject to availability of places);
- repeat the test, by submitting an application through the online procedure at no extra cost. In this case the score previously obtained for that course of studies will automatically be annulled.

The registration of students awaiting the results of their school-leaving examination (the "Maturità") will be considered conditional until confirmation is provided through the [Online services](#) of having passed the exam. Students must provide the date of passing the exam and the mark obtained by 28th July 2023. Failure to communicate the result of the Maturità examination by 28th July 2023 will result in the cancellation of the registration without the right to a refund of the first instalment paid. The first instalment paid will only be refunded if documented proof is provided of failure to pass the examination.

Should fourth-year high school students (or third-year students in the aforementioned 4-year courses) pass the admissions test, they will be able to keep the score obtained and access a dedicated registration window (November 2023) to have priority enrolment for the academic year 2024/25, procedures for which will be communicated in November 2023¹¹. Admitted candidates who choose not to benefit from the opportunity to enrol by the end of the dedicated registration window will lose all rights deriving from the positive outcome of the test and will have to take the test again if they wish to enrol for the 2024/25 academic year. It must be noted that the courses and/or enrolment fees for the academic year 2024/25 may differ from those for the academic year 2023/24.

10. Scrolling of the ranking list

If the number of students admitted exceeds the number of places available, the number of students in excess will be placed on a waiting list while maintaining their position in the ranking. After the closing date for registration for each specific session, any places left free by students who were admitted but did not proceed with registration may be assigned to admitted students on the waiting list in accordance with their order in the ranking (scrolling of the ranking list).

If necessary, the scrolling of the rankings will start on the following dates:

- 2nd session: from 4 May 2023
- 3rd session: from 30 June 2023
- 4th session: from 5 September 2023

The dates are subject to variations.

When the ranking is scrolled, admitted students on the waiting list will be informed of the deadlines for confirming enrolment, usually no more than three working days after the communication.

Following similar procedures, further scrollings may take place if there are still names on the waiting list and there are still places available.

As is the case with candidates who have been admitted, the position in the ranking for those who are on the waiting list who fail to confirm enrolment within the set deadlines will lose all validity.

¹¹ The test passed by candidates attending the fourth year of high school is to be considered final for the purposes of enrolment in the dedicated registration window, and cannot therefore be repeated, even partially.

11. Admissions test for candidates temporarily resident abroad

Italian candidates who are temporarily resident abroad for exceptional and adequately documented reasons during the period the admissions test will be able to take the test by applying in writing to segreteria.studenti@iulm.it.

12. Candidates with disabilities and with Specific Learning Disorder (DSA)

In order to ensure equal opportunities in the carrying out of the tests, candidates with disabilities, in possession of a certificate of civil disability and/or recognition of disabled status in accordance with Law 104/92, and candidates with Specific Learning Disorder (DSA), in possession of DSA certification in accordance with Law 170/2010 will be able to upload the documentation in PDF format during the online procedure for test enrolment. This documentation shall be valid and issued in accordance with the law. In order to request the compensatory measures/dispensations for the admissions test, the application must be submitted at least 7 days before the test by sending an email to the diversAMENTE service.

For further information or assistance, please contact the diversAMENTE office at: diversamente@iulm.it tel. 02.891412200.

13. Transfers from other Universities

First-year transfers are not permitted for degree courses for which admission is subject to a selective test. Conversely, for degree courses for which admission is not selective, it is possible to request a transfer even in the first year, subject to assessment of the applicant's academic records by the Registrar's Office, by writing to segreteria.studenti@iulm.it.

Transfers into second and third years are always possible. They do not require students to take the test and will depend solely on the students' studies carried out thus far as assessed by the Registrar's Office.

It is possible for students withdrawing from other universities to be admitted to the first year, with the possibility (to be assessed on a case-by-case basis) of validating exams already taken.

14. Privacy policy on the processing of personal data

Data is processed in accordance with the GDPR (General Regulation on Data Protection) art. 13, EU Reg. 2016/679.
